work4change Series

A space for women to explore different social issues that affect our communities and us as women specifically. These free events will be held online with registration through Eventbrite.

Mark your diary and watch the website for details!
Thursday 28th March 7-8pm
Thursday 30th May 7-8pm

Women's Voice DLR supports and empowers women to engage with all levels of decision-making spaces. We are always open to new members who want to join us in this effort and add their voice to this group. Please be in touch if you are interested or want more information!

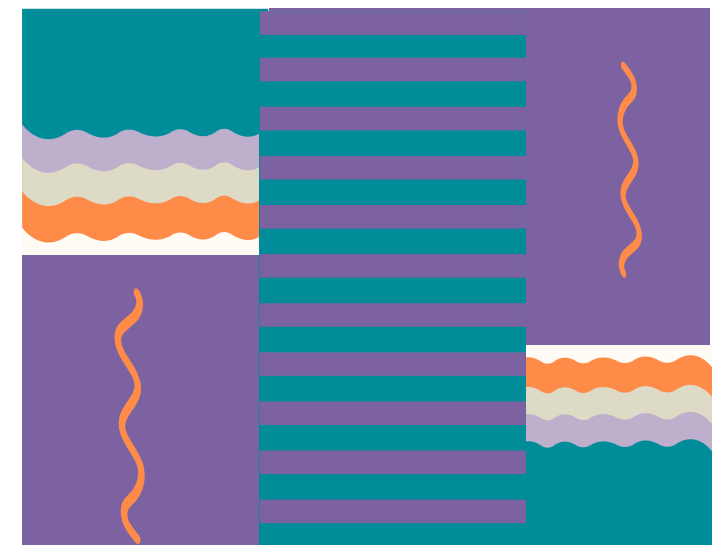

SpeakUp!

These workshops will provide a space for women to grow in their confidence to use their own voice in public spaces. The workshops will include tips for communicating well and opportunities for all to speak.

First Workshop:

Tuesday 7th March
10-11:30am
Furry Hill Community Centre
Sandyford Rd D16 Y6X9
